An Open Letter to:

Calif. Bar No. 78034
State Comp Ins Fund
1275 Market St #372
San Francisco, CA 94103

SUBJ: Re-hearing of WCAB POM 154573, WCAB POM 164488
REF: California Public Records Act request
Government Code Sections 6250-6270

Good Morning:

If you are unfamiliar with my case, I invite you to visit the above listed web-site or check your records concerning the above cited WCAB case numbers.

As you know, the above referenced law provides me the opportunity to request documents held by the State Fund (SCIF). I am preparing for my re-hearing of this WCAB claim (for reasons related to fraud upon the court).

As part of my preparation for trial and re-hearing I shall require certain public records maintained by the State Fund (SCIF).

As you know, State Fund (SCIF) maintains a business relationship with the dubious organization known as:

Statewide Record Services, Inc.
P.O. Box 15617
Sacramento, CA 95952
FAX: 916-344-0104

Apparently, Statewide Record Services is the repository of nearly all State Fund (SCIF) controlled medical records obtained via subpoena or other means.

However, since Statewide Record Services is indeed a “business associate” of the State Fund (SCIF) I shall require all documents exchanged between the State Fund (SCIF) and Statewide Record Services between April 1, 2000 and July 25, 2005 that have been exchanged to facilitate the business association between these two organizations. This would include: letters, memorandums, e-mails, telefax documents, etc.

Thank you,

Larry Nign
